7 Individual personalized goal setting

8 Growth of individual habits & behaviors

9 Unearthed creative thinking & innovation

12 Brand awareness & social responsibility

11 Advanced business systems & procedures

10 An emerging leaders pipeline

HOW IT WORKS

- 25 to 125 participants
- Meet 1 hour per week then all information is shared online for all to see
- Impacts every staff & eliminates silo mentality
- Project focused teams & outcomes
- All action, no pens & paper
- Impact every staff member and every customer

WHAT MAKES OUR PROGRAM DIFFERENT?

- Develops leaders on all levels
- Holds everyone publicly accountable to deliver agreed outcomes
- Tangible measures to demonstrate growth & ROI
- 99.5% of participants highly recommend this program
- Scientifically and neurologically designed over 9 years

This is not a workshop – it's an all action-based program. There is nowhere to hide!

IT'S THAT SIMPLE!

- Suits every industry, demographic, personality and culture
- Unearths all business headwinds, not just the owner issues
- Your staff will thank you as this is the people's program!

OUR CLIENTS:

//

This program is truly inspiring. The tools and strategies that it imparts have allowed our company to identify the areas in need of improvement and what we can implement to succeed, as leaders and a team.

UAC DIGITAL DESIGN

//

This program encourages staff to take initiative and responsibility of their role and for the business. It has allowed the team to engage with contractors/clients which opens up more business opportunities and services outside of work.

BARKING BIRD

//

By joining this program, I grew so much as a leader and I learnt so much about the importance of team purpose. We also noticed much greater levels of shared communication and coordination among all the departments.
